Miscellaneous

- If you have any questions call Rick Parkin (206)553-8574.

- For the flights with Iliamna Air each traveler should try for 50 pounds or less in luggage. Two small bags are better than 1 large bag but remember you will be lugging your gear around with you, on and off boats, etc.
- It can be cold and rainy and if it isn't cold and rainy, it can be buggy. If the sun is out it is intense in higher latitudes.
- We will be walking a lot on uneven surfaces.
- Meals are a little uncertain at the moment, especially Thurs and Fri mornings. In Iliamna there is a store (the prices will amaze you). There is probably a store in Koliganek as well, but I will find out if breakfast will be served at the B&B.
- Bring your Check Book. American Express won't work.
- We will probably think of more at this end or you will ask good questions and we will follow this note with more as we get closer to the trip.
